The Meet of Champions (MOC) is an AIA sanctioned competition – a continuation of the Luke-Greenway Meet of Champions which was held from the 1950's to 2002. The aim is to provide a forum at which the best athletes from each state meet in a head-to-head finals only competition.

Athletes who won their event at one of the 7 state meet divisions are automatically eligible for entry into the MOC. The next best performances at state meet competition complete the rest of the field.

Custom medals are awarded to the first three placers in each event; ribbons are awarded to the remaining places. Sports Chalet is also presenting MOC logo embossed sport bags to each participant.

Track event athletes must check in to the Clerk 15 minutes prior to the race; field event check-in is at the competition site, 30 minutes prior to start of event. Starting heights for high jump: boys - 6', girls -5' and for pole vault: boys - 12', girls – 9' unless altered for reason by the referee or field referee. Jumping order will be 5-alive. Contestants in the horizontal jumps and weight events will have 6 attempts. Athletes will compete in reverse order of best performance after three preliminary attempts. Initial order is based on performance at state.

Field events, as specified above, will begin competition at 6:00PM sharp. Be earlier to check in and warm up. No warm-ups after start of event. 30 minutes between gender.

Protests for running events must be filed with Hugh Morrison, and for field events with Joe Hajek, within 30 minutes of notification of disqualification. Appeals from their decision are made to the Games Committee through meet director, Joe Hilbe. The Games Committee consists of Joe Hilbe, Brian Dempsey, Jeff Guy, Dave Shapiro, Steve Carson, and Clyde Volz. Their decision is final. In the case of a tie, the meet director's decision will be final.

LIST OF ENTRIES

The following list of competitors are current as of 6PM, Thursday, May 18th. No athlete shall be displaced from the list. Additions may be made if there are lane and/or position openings, but only for exceptional reasons. Due to unforeseen circumstances, and for the sake of fairness, several events may have more than 8 competitors. It is likely that the fields will reduce to 8 by the time of competition; if not, we shall allow all registered athletes to compete as promised. The Games Committee reserves the right to amend our procedures for the sake of fairness and the good of the meet.

Contact Meet Director Joe Hilbe (480-883-1050; email: jhilbe@aol.com) or Asst Meet Director Brian Dempsey (623-445-7283; email: Brian.Dempsey@so.dvusd.org for consideration of an additional entry, or if there is a discrepancy in the listings.

Preliminary rounds (first 3 attempts) of horizontal jumps and weight events will be contested in reverse order of state meet performance. The final 3 attempts will be contested in reverse order of preliminary round performance.

Track event heat sheets will be available on this web site tomorrow by 3PM. Results will be posted to this site by Monday, May 22. They will also be submitted at that time to Dyestat.com for national listing.
