Final	1600m Relay	Boys 2A/4A Div. I & II
Final	1600m Relay	Girls 2A/4A Div. I & II

Note: The boys' race will always precede the girls in the same race and Division I will always precede Division II. Due to the unprecedented challenge of running six state championship track meets simultaneously (three boys/three girls), the meet management has determined that fewer chances for error will occur by leaving the order of events as they were for 2005. This is a departure from the past practice of alternating boys and girls events from one year to the next.

- See rule #3, Section 2, Articles 2-3 on pages 14,15,16 of the 2007 National Federation Track and Field Rule Book

Trophy Presentations for the Team State Track & Field Champion and Runner-up will follow the conclusion of championship events.
