High School Information

Each team can submit only **TWO** athletes per event!!! There will be a 6 heat limit for all lane races. If there are more entries than lanes, then a descending order list will be used to determine the top 54 competitors. If this should occur then each school will be assured at least one competitor. Please use 2007 or 2008 best marks only. A.I.A rules will apply in all cases (i.e. false start, jewelry, uniform, etc). State qualifying information will be handled by meet management.

Relay Event Entry Procedure

Please enter actual relay marks that have been achieved in the 2008 or 2009 season. Relay times may also be determined by adding the four best open/split times for athletes from either the 2008 or 2009 seasons. After entering your seed mark for each relay event on-line, you will have spaces to enter up to 8 athlete's names per relay. Please include all four runners (in order, spaces 1-4) and any alternates (up to 4 per event, spaces 5-8) in the 8 spaces provided under each relay. You must enter each member of the relay team and any alternate(s) for the relay so we may assign a bib number for each member. Any relay runners who may compete on a relay team must be entered into the meet and have a bib number to compete.

Entry Fee Information

There will be an entry fee of \$20 per athlete, with a maximum of \$100 per team. Boy's and Girl's teams are considered separate. All entry fees are non-refundable and nontransferable. All payment must be received prior to the competition or on the day of the competition. Team packets will not be released if payment is not received. Plan ahead and request payment from your school districts far enough in advance. P.O. forms will be accepted. Please make your check out to and mail to:
