

If you are interested in hosting a 5A State Outside Qualifying Track & Field Meet, you must complete and return this form to Robbie Robinson no later than Monday, March 1, 2010.

**CRITERIA FOR HOSTING A STATE OUTSIDE QUALIFYING TRACK MEET:**

1. Includes any AIA sanctioned meet that has been approved by the 5A Track & Field committee. These meets include divisional (regional) qualifying meets, invitationals, city meets and other sanctioned meets during the season of competition.
2. Five (5) or more schools must be participating in the meet.
3. Running events are to be run in meters on a regulation outdoor track.
4. Field events are to be measured as per current National Federation Track & Field Rules.
5. A minimum of three (3) certified officials (which must include Starter, Referee and Head Field Judge).
6. A minimum of six (6) curb and lane judges.
7. Total Electronic Timing (i.e. lynx, accutrack, etc.) must be used. In the event that the automatic timing system malfunctions during a race, performances in that race will not be accepted as meeting the Outside Qualifying Standards for automatic advancement to the State Meet.
8. A minimum of one wind gauge "in use" during the following:
  - 100 and 200 Meter Dash
  - 100 and 110 Meter High Hurdles
  - Long Jump and Triple Jump
9. Shot Put and Discus are weighed according to National Federation Rules.
10. Heights for the Pole Vault and High Jump must be measured prior to and after athletes attempt the official state qualifying height.
11. To provide consistency and convenience for coaches, all entries must be submitted via Direct Athletics or athletic.net
12. The Meet Director must FAX or E-mail the results (Prelim & Finals) to Robbie Robinson within 48-hours of the completion of the meet. FAX # (480) 472-6983 or FAX # (480) 354-8714 or E-Mail address [robbietrack@yahoo.com](mailto:robbietrack@yahoo.com)
13. All criteria must be met before any performance achieved during the meet will be recognized as meeting the 5A State Outside Qualifying Standard.
14. All season-ending Regional Meets must meet these criteria to automatically qualify as a 5A I or 5A II Outside State Qualifying Track and Field Mee
